So this is continuous happiness  
You know, I always  
Imagined it something more  
With the right drapes, the right paints  
The right frames, this could really work  
What a great day to spend indoors

Wake, wake up, wake, wake up  
Wake, wake up, wake, wake up  
Wake, wake up, wake, wake up  
Wake, wake up, wake, wake up

In a hail of sparks  
And a tangle of wires  
Everything went wrong

So where has all the day gone?  
And why are my lungs aching when I breathe?  
Is there something wrong with the heat?  
Why am I so cold?  
And my heart feels sick  
And it hurts when I speak  
And this is not what I hoped for

Wake, wake up, wake, wake up  
Wake, wake up, wake, wake up  
Wake, wake up, wake, wake up  
Wake, wake up, wake, wake up

Was this what we hoped for?

Was this what we hoped for?  
Was this what we hoped for?

Was this what we hoped for?

Was this what we hoped for?  
Was this?
