Can we pretend that airplanes
In the night sky
Are like shooting stars
I could really use a wish right now (wish right now, wish right now)
Can we pretend that airplanes
In the night sky
Are like shooting stars
I could really use a wish right now (wish right now, wish right now)

Well let me take the time, for an introduction,
My name is Donnie Sands and I hope that you love it,
And event hough I know that it's been a while,
Since I had to rap or even freestyle
But maybe I can take it back and make it something new,
Make it somethin' fresh, somethin' ya'll can dance to,
I'm trying to get ya'll movin' without the chop and screw,
And just a little history on me, I didn't always drive a drop top while drinking coffee,
Used to, you could find me at the store with food in my pockets, while other people were shopping,
From the times that we were homeless and living in a car,
To the times there was no food in the fridge and we were starving,
And I was still too young to get us through the hardship,
Growing as a kid taking food from the church,
Father wouldn't take responsibility from birth, taught myself how to be a man to walk on this earth.
So that's why I'm on the stage playing here tonight.
I'm hoping if I hustle hard enough I'll catch a flight, out to L.A.
I'm chasing the stardom, so we can live a better life.

Can we pretend that airplanes
In the night sky
Are like shooting stars
I could really use a wish right now (wish right now, wish right now)

right now)
Can we pretend that airplanes
In the night sky
Are like shooting stars
I could really use a wish right now (wish right now, wish
right now)

Yeah
I could use a dream or a genie or a wish
To go back to a place much simpler than this
Cause after all the partyin' and smashin' and crashin'
And all the glitz and the glam and the fashion
And all the pandemonium and all the madness
There comes a time where you fade to the blackness
And when you're staring at that phone in your lap
And you hoping but them people never call you back
But that's just how the story unfolds
You get another hand soon after you fold
And when your plans unravel
And they sayin' what would you wish for
If you had one chance
So airplane airplane sorry I'm late
I'm on my way so don't close that gate
If I don't make that then I'll switch my flight
And I'll be right back at it by the end of the night

Can we pretend that airplanes
In the night sky
Are like shooting stars
I could really use a wish right now (wish right now, wish
right now)
Can we pretend that airplanes
In the night sky
Are like shooting stars
I could really use a wish right now (wish right now, wish
right now)

Somebody take me back to the days
Before this was a job, before I got paid
Before it ever mattered what I had in my bank
Yeah back when I was tryin' to get into the subway
And back when I was rappin' for the hell of it
But now a days we rappin' to stay relevant
I'm guessin that if we can make some wishes outta
airplanes
Then maybe yo maybe I'll go back to the days
Before the politics that we call the rap game
And back when ain't nobody listened to my mix tape
And back before I tried to cover up my slang
But this is for the Cada, what's up Bobby Ray
So can I get a wish to end the politics

And get back to the music that started this sh-t
So here I stand and then again I say
I'm hopin' we can make some wishes outta airplanes

Can we pretend that airplanes
In the night sky
Are like shooting stars
I could really use a wish right now (wish right now, wish
right now)
Can we pretend that airplanes
In the night sky
Are like shooting stars
I could really use a wish right now (wish right now, wish
right now)
