Seems we've weathered  
Hard times we've been through  
In silence I've waited  
I missed you (I missed you too)

'Cause you, you and I back together again  
Got the world in a spin  
'Cause you, you and I back together again  
Got the world in a spin

It's all come together  
Problems we've defeated  
And I'm in here, my heart in hand  
You take all that I got and you need it, baby

'Cause you, you and I back together again  
Got the world in a spin  
You, you and I back together  
Got the world in a spin

Love will last forever (Forever)  
We can make it real (Got to be real)  
Say you'll leave me never (No, no, never)  
We can truly feel (What you feel)  
I feel like getting back together

Yeah, yeah, yeah

Younger and wiser  
Time has shown the way  
We've come full circle  
To stay (don't throw it away)

'Cause you, you and I back together again  
Got the world in a spin  
'Cause you, you and I back together again  
Got the world in a spin

Truth is the light  
It's the joy that we both share  
Make love day and night

It's so easy to do when you care

Love will last forever (Forever)  
We can make it real (Got to be real)  
Say you'll leave me never (No, no, never)  
We can truly feel (What you feel)  
I feel like getting back together

Doo doo doo doo doo  
Doo doo doo doo yeah  
Ooh, ooh, ooh, ooh, ooh, ooh, ooh, ooh, ooh  
Back together again

Doo doo doo doo doo  
Doo doo doo doo yeah  
Ooh, ooh, ooh, ooh, ooh, ooh, ooh, ooh, ooh  
Back together again

Doo doo doo doo doo  
Doo doo doo doo yeah  
Ooh, ooh, ooh, ooh, ooh, ooh, ooh, ooh, ooh  
Back together again
