Big shot, have you forgotten me?
That's what the pundits say
Talk, talkin' sycophantically
You've gotten you your way
It's always you your way

Big shot
Yeah he got all the money
Big shot
So many shiny things
Big shot
He ain't got anyone at all

Big shot
Said he got all that money
Big shot
So many pretty things
Big shot
He ain't got anyone at all

One drop is all it took for me
Bangin' another nail
Until you do right by me
All things you touch will fail
All things you touch will fail

Big shot
Yeah he got all the money
Big shot
So many shiny things
Big shot
He ain't got anyone at all

Big shot
Said he got all that money
Big shot
So many pretty things
Big shot
He ain't got anyone at all

No not at all...

You know you had to be a big shot
Didn't you?
Had to open up your mouth
You know you had to be a big shot
Didn't you?
All your friends were so knocked out

Big shot
Yeah he got all the money
Big shot
So many shiny things
Big shot
He ain't got anyone at all

Big shot
You know you dig a pony
Big shot
So many pretty things
Big shot
You ain't got anyone at all

No, not at all.
