Blood bearing spore soaked mind field  
Captain cap poisoned thought swirl  
Skein jungle knot, skein Vacant proof, False truth;

A quest for knowledge that seems an inch out of reach  
Depression steals dreams as broken hopes wash  
ashore on death's beach

On death's beach(3x)  
Cold confusion(3x) cold confused

Rogue mobocratic silence  
Disordered plot, sanity rot(2x) mystery mystery

Opinionated mental intrusion, a fitting stage for cold  
confusion

A mind destroys itself in the hands of interpretation  
A voice is downed by an opposition  
An empty thought contains useless contradiction

On death's beach(3x)  
cold confusion(3x) cold confused(repeat chorus A)  
Depression steals dreams as broken hopes was ashore  
on death's beach ashore on death's.....
