I never was, good at goodbyes,
But I guess I'll never be.
And I remember your smile, and the look in your eyes,
When you first, noticed, me.

Just to turn around, and watch you walk away,
Is more than I can take.
And I wont soon forget, all the happiness,
That you brought into my life, so I can't say, goodbye-

My sky, just doesn't seem, as blue,
As it used to.
And the best part of my day, has gone away,
And that wold be you, that would be you-

Denied goodbye
(I hate to see you go)
