You were speaking in tongues
Conversations
Was it your god speaking?
Were you coming undone?
Was it nature
That showed you that
Desire
Colours all you see
Your desire
Desire
The only thing you seek
You say you're coming undone
And you've still got
A bad taste in your mouth
From the conversation
With the snake that
Has left you reeling
And you learned how to crawl
Like a real man
Now you're like the rest
On your knees
I'll show you that
Desire
Colours all you see
Your desire
Desire
Is everything
Desire
Colours all you see
Your desire
Desire
The only thing you seek
Now you're writhing around
In your own mess
Cos you lie down with the snakes
Naked and so shamed
Before god
But still you're speaking in tongues
And your god says:
Desire
Colours only you see

Your desire
Desire
Is everything
Desire
Colours only you see
Your desire
Desire
The only thing you see
