One of these days  
And it won't be long  
You're gonna look for me and I'll be gone  
I believe  
Said I believe  
Ooh yeah  
Ooh baby  
I believe you're trying to make a fool outta me

I said you're going 'round here with you're head so  
hard  
I think I'm gonna have to use my rod  
Cause I believe  
Said I believe  
Ooh yeah  
I believe baby  
I believe you're trying to make a fool outta me  
Yeah  
Alright

Oooooo  
Baby, baby, baby  
Last night while you were sleeping  
I heard you say  
Oooh Ronny  
When you know my name  
When you know my name  
When you know my name is Donny  
I believe  
Ooh yeah  
Wooo baby  
I said I believe you're trying to make a fool outta me

I said you're going 'round here with your head so hard  
I think I'm gonna have to use my rod  
I've got to know how you really feel  
I got to know if your love is really real  
Cause I believe  
Oooo you don't want me  
I said I believe  
You don't need me

I believe  
Ooo you've been slipping out on me baby  
Said I believe  
Ooo you've been doing me wrong  
I believe  
I believe  
I believe  
Baby, I believe
