If I ever leave you,  
You can say I told you so!  
And if I ever hurt you,  
You know I hurt myself as well!

Is that any way for a man to carry on,  
Do you think I want my loved one gone,  
Said I love you,  
More than you'll ever know,  
More than you'll ever know!

When I wasn't making much money,  
You know where my paycheck went,  
You know I brought it home to ya baby,  
And I never spent a red cent...

Is that any way for a man to carry on,  
Do you think I want my loved one gone,  
Said I love you,  
More than you'll ever know  
Yea-hey, more than you'll ever know

Now listen to this...

I'm not trying to be,  
Just any kind of man, no I aint,  
I'm just trying to be somebody,  
You can love, trust and understand,  
I know, I know, I know that I can be,  
The part of you that no one else could see

But I got to hear ya say, I got to hear ya say  
It's Alright!

I'm only flesh and blood,  
But I can be anything that you demand,  
I can be king of everythang,  
Or just a tiny grain of sand,  
I tell you...

Is that anyway for a man to carry on

Do you think that I wants my loved one gone  
I love you more than you'll ever know  
I said I love you

I Love you  
I Love you  
Hey hey  
Don't want nobody else...  
Don't need nobody else...
