I, I who have nothing.
I, I who have no one
Adore you, and want you so
I'm just a no one
With nothing to give you but ohhhhh
I love you.

He, He buys you diamonds
Bright, Sparkling diamonds
But believe me, dear
Believe me when I say
He can give you the world
He'll never love you the way
I love you.

You can go any place he wants
To fancy clubs and restaurants
But I can only watch you with my nose
Pressed up against the window pane.

I, I who have nothing
I, I who have no one
Must watch you
Go dancing by
Wrapped in the arms of someone else
When Darling it is I
Who loves you
