*well it takes a special kind of girl to appreciate
someone like you*
A monumental love affair with emptiness
And i guess we all could take a bit of saccharin now
and then
To fill the space sweet taste until the bitter comes

But in the immortal words of father flanagan who said:
"he said there is no such thing as a bad boy"
And you know i never met a man i didn't like
Until the day i let you sink your teeth into me

Life is sweet when you're beat on your knees whoa-oh-
oh-oh
Da-dum-dum...

*well it takes a special kind of girl just to tolerate the
things you do*

In the immortal words of father flanagan who said:
"he said there is no such thing as a bad boy"
And you know we all could use a bit of discipline now
and then
A study course in pain and plastic fashion, yeah

Life is sweet when you're beat on your knees whoa-oh-
oh-oh
Da-dum-dum...

You sank your teeth right into me
Now life is sweet down on my knees
