Looking out of the window
And i'm staring out at the sky
Swimming _____ and i'll stay with you
And if you cannot fly, i'll fashion a device
So fasten wings to your shoulders
And i'll take you up to the sky
And then two of us, we will rise up
We'll have to close our eyes
So not to see the lies

Imagining the sky is falling
Yeah, we gotta get away
Gotta find our way home

Phoenix out of the ashes, nonono
No need to struggle at all
We like peacocks that rarely do fly
No struggle will arrive, when we have arrived

Imagining the sky is falling
Yeah, we gotta get away
Gotta find our way home
Yeah, imagining the sky is falling
Yeah, we gotta get away
Gotta find our way home

When the world comes
Crashing down around us,
We will rise
When the world comes
Crashing down around us,
We will rise

WE WILL RISE
WE WILL RISE
WE WILL RISE
WE WILL RISE

Imagining the sky is falling
Yeah, we gotta get away
Gotta find our way home now

Yeah, imagining the sky is falling
Yeah, we gotta get away
Gotta find our way home

When the world comes
Crashing down around us,
We will rise

WE WILL RISE
WE WILL RISE
WE WILL RISE
WE WILL RISE
WE WILL RISE!
WE WILL RISE!
WE WILL RISE!
WE WILL RISE!
WE WILL RISE!
WE WILL RISE!
