Can we capture lightning in a bottle?
And pour it over the world to see,
In a blazing hellfire,
Of acoustic calamity.

And the dark will be revealed,
As my strings crack and squeal,
Across six billion wide,
A fragrant melody.

Cause I believe,
I believe,
I believe,
I believe

I believe,
(Lets go!)
I believe,
(Lets go!)
I believe,
(Lets go!)
I believe.

If you want it bad enough,
Step into the rain,
And if you must risk it all,
Do not be afraid.

Well can we capture thunder in a can?
And try to make it understand,
To roll with all it's got,
So they'll know who I am.

Cause I believe,
I believe,
I believe,
I believei believe,
(Lets go!)
I believe,
(Lets go!)
I believe,
(Lets go!)

I believe.

If you want it bad enough,
Step into the rain,
And if you must risk it all,
Do not be afraid.

And I know, it's a long road,
But I'll walk it anyway.

There's no need for an umbrella here,
Cause I welcome on, I welcome on, the rain.

Cause I believe,
I believe,
I believe,
I believe

I believe,
(Lets go!)
I believe,
(Lets go!)
I believe,
(Lets go!)
I believe.

If you want it bad enough,
Step into the rain,
And if you must risk it all,
Do not be afraid.
