She's a ballerina.  
She dances circles around me.  
She tells me what I want to hear.  
But I'm just never satisfied.  
I live with a ballerina.  
I live with a ballerina.

Those constant moves.  
She never stops, she never stops.  
It's making me nervous.  
Taunting me on tippy toes.  
When will my transformation come?  
Those constant moves.  
She never stops.

I sit under rain gathering the courage to do what my  
mind tells me?  
But I'll just lay around.  
I've become a joke, a disrespectful being that's been  
handed all he's ever wanted.  
But can't find satisfaction.  
What more could anyone ask for but a smiling blur, a  
perfect human being.  
Those constant moves.  
She never stops she never.

I sit under rain gathering the courage to do what my  
mind tells me?  
But I'll just lay around.  
I've become a joke, a disrespectful being.

She's a ballerina.  
She dances circles around me.  
She tells me what I want to hear.  
But I'm just never satisfied.

Making her way through my body.  
She's a ballerina.  
Dancing around my head.  
She tells me what I want to hear.  
But nothing ever satisfies.

Making her way through my body making every organ  
touched more beautiful than the last.
