When you read this /I will not be the same
I have let my true form show
This is my last/lost in all my guilt
For letting you fall / understand it wasn't me
But I can't dream without showing intentions
As I ask these questions/where were you
Now I can't see through your eyes
I remember the day the sun went out
It halted all progression with all it's beauty
It just sacrificed/we fell apart
Sincerely yours I've disowned you
Sincerely yours I've disowned us
