"Today"

Today is the greatest
Day I've ever known
Can't wait for tomorrow,
Tomorrow's much too long
I'll burn my eyes out
Before I get out
I wanted more
Than life could ever grant me
Bored by the chore
Of saving face
Today is the greatest
Day I've ever known
Can't live for tomorrow
Tomorrow's much too long
I'll tear my heart out
Before I get out
Pink ribbon scars
That never forget
I tried so hard
To cleanse these regrets
My angel wings
Were bruised and restrained
My belly stings
Today is
Today is
Today is
The greatest day
I want to turn you on
I want to turn you on
I want to turn you on
I want to turn you
Today is the greatest
Today is the greatest day
Today is the greatest day
That I have ever really known
