If you found love  
Why do i stand alone  
So many feelings disregarded  
As you walked away  
Did you take a second glance or a small hesitation  
Or was it just a lie  
Another period in your life  
Our bond never broken  
I'll always care  
Your face impounded  
In my memory  
Although my insignificance is great  
Your lack of innocence is my reminder  
As emptiness  
Fulfills my soul  
(chorus)  
Now you've gone away  
And i'm all alone  
The first for so many things  
So many secrets shared  
And now i'm left with nothing  
Except the scars I bear  
I can still see  
The look upon your face  
As you walked  
Forever out of my life  
Remnants of you  
An everyday reminder  
As I pick up the pieces of my broken heart  
(chorus)
