Temptation awaits as she opens the gates
And I kneel down before her
The scent of her rides in the breath of the night
And I'm breathing the curse

I breathe and I drown in the circle of fire
The glow of the flames
And I embrace the demon-desire
The glow of the flames in my eyes

The pleasure and pain... now they are the same
For I have fell from grace
I've been waiting for so long for the feeling this strong
For this bliss of escape

I breathe and I drown in this funeral pyre
The glow of the flames
And I embrace the demon-desire
The glow of the flames in my eyes
