Please just this once, do this for me
I've seen you in clouded visions saying goodbye
I remember when we were gonna sit each other down
And explain ourselves, always busy blame myself
Always busy blame myself, always busy blame myself

Your color was blue myself is making me feel that way
I apologize, apologize you're old enough to take care
of
If we can't speak go back to your bed so you'll be here
When I wake up and I'm worried with no reason why

Harm is an acquaintance and it says it's not very fond
of you
It's not very fond of you, it's not very fond of you
And just this once "Stay", I say "I'll see you soon", he
says
And until you come back I will stay awake

Your color was blue myself is making me feel that way
I apologize, apologize you're old enough to take care
of
Your color was blue myself is making me feel that way
I apologize, apologize you're old enough to take care
of
Your color was blue myself is making me feel that way
I apologize, apologize
