Today is the greatest  
Day I've ever known  
Can't wait for tomorrow,  
Tomorrow's much too long  
I'll burn my eyes out  
Before I get out  
I wanted more  
Than life could ever grant me  
Bored by the chore  
Of saving face  
Today is the greatest  
Day I've ever known  
Can't live for tomorrow  
Tomorrow's much too long  
I'll tear my heart out  
Before I get out  
Pink ribbon scars  
That never forget  
I tried so hard  
To cleanse these regrets  
My angel wings  
Were bruised and restrained  
My belly stings  
Today is  
Today is  
Today is  
The greatest day  
I want to turn you on  
I want to turn you on  
I want to turn you on  
I want to turn you  
Today is the greatest  
Today is the greatest day  
Today is the greatest day  
That I have ever really known
