I am unknown

I am unknown

I am unknown

I am unknown

Shoot the man out the window of the sun

As his eyes looking down at the the people with their
wives

On the ground

I am unknown

I am unknown

I am, I am unknown

I am unknown

Don't take me for a fool

Don't take me for a fool

Don't take me for a fool

Don't take me

Don't take me

Don't take me for a fool

Shoot the man out the window of the sun

As his eyes looking down at the the people with their
wives

On the ground

I am unknown

I am unknown

I am, I am unknown

I am unknown

If you don't look back it'll be alright, now

If the (?) back I'm a be alright, now

If you don't look back it'll be alright, now

If the (?) your feel at the end of the night, now

If you don't look back it'll be alright now
