Ah, she don't love me no more

Ah, she don't love me no more

Is there no one in my life I can love?

No one that'll ever love me?

I've searched and I've tried to find a way

There's only one way for you and me

Ah, she don't love me no more

Ah, she don't love me no more

If I ever find a girl that really loves me

Well, I'd hold onto that girl all my life

Just one day at a time

I'd find her standing there beside me

I was ten long years on a mantle aside

And you see their love, it's all they had

You were the one who came to visit me

And you took my mind and you set me free

My love hangs high from a sheet (?) sky

Your love was there, it's all you had

One day yours said I've glorified (?)

Ah, she don't love me no more

Ah, she don't love me no more

```
No, no more
```

I'll find you standing here beside me one day

Ah, she don't love me no more

Ah, she don't love me no more... /]
