(Verse 1)

I am (x3) the type of nigga that'll go insane I am (x3)
Donovan James you
Know my name aint playing no games aint smoking no
trees mess around and
I'll sell your leaves cuz they was confiscated from you
to me best believe
It's a demon in me something you can't see holding me
captive and won't let
Me free I'm stuck in this place if you get in my face no
matter your height
Or even your race you might be my first murder case
so for instance keep
Your distance if you wanna live your life with no
assistance I'm a problem
That can't be solved refuse to dissolve won't wash
away my anger evolved
I'm tired of being broke I'm tired of being poor landlord
knocking on my
Door I'm sleeping on the floor my stomach want more
waking up every day is
A daily chore so I may be a psycho saving on Geico
that's a lie so that's a
Typo aiming the rifle at my rival kill or be killed that's
the rules to
Survival I'm trying to stay alive and it's getting too hard
prostitute
Yourself or get a link card living off of welfare Obama
don't care just pay
Your taxes do your share 8.25 minimum wage I can't
progress working on this
Stage 8.25 minimum wage I can't progress working on
this stage.

(Chorus)

I am words I am speaking I never heard my conclusion I
am strong I am
Leaving I never knew I'd feel the dead so

(Verse 2)

I am (x3) a disgrace to myself can't look my in the face
I am (x3) stuck in
Depression I'm such a big waste tossin and turning in
my sleep dreaming
About defeat I can't take it away I used to live with a
thief so what that
Means I'm not too keen on letting things go if you really
didn't know like
Casein moving too slow until I snub my toe everybody
wanna pick on my nappy
Fro, but that goes to show even the strongest break I'm
just keeping it
Real I refused to be fake I used to push girls away
unless you wanna get
Played now I'm bound in the place wishing somebody
would've stayed, but now
It's too late I can't even get a date I've become the
person everybody
Loves to hate or maybe lied to do you feel like I do?
have I hit rock
Bottom 8x2 I am not that crazy or is it true what I'm
capable of and what
I'll do to you talking to myself thinking I need help just
want you to go
Through the pain I felt and hold it together like a belt
try to win the
Game with the cards you dealt no I'm not perfect this is
me never changed
Myself during history no I'm not perfect this is me
never changed myself
During history now you know who I am if you don't give
a damn you can just
Flag me a virus spam now you know who I am if you
don't give a damn you can
Just flag me as virus spam.
