(Verse 1)

Um open the door take a look in my brain to find all the
ways that I can
Play this game or maybe see the reasons why people
think I'm insane
Unsustain in the lane with the wild and untamed I'm a
psycho path gassed up
On my relation to the projects, gang life, and
deprivation of money
Critical situations are funny my thoughts are night and
day even when it's
Sunny Alexian Brothers didn't do anything for me as
you can see I'm very
Clever with no I.d. I can be whoever I decided to be my
policy is not
Modesty honestly I'm the bad guy when it comes to the
girls according to
Some, it's the ones with the curls, but anyway who care
I'm on my way to
The next topic run to the chorus before you hear "Dj
stop it"

(Chorus)

I am crazy They Think I'm crazy(x2)

(Verse 2)

I'm live spelled backwards see what it means I'm not
what you think but
That's what it seems like my mind is screwed up and
my brains in this cup
Or maybe I'm just fed up (I'm maybe I'm just fed up)
fresh out the psych
Ward it's Donovan James a tad bit insane if you
mention my name a lil vein
In the game stand alone in my lane still laying down the
smackdown here
Comes the pain see when it comes to the rage I gets
busy lost inside a tomb
Where my body feels dizzy passion arise but it's all in
disguise murder
Guys with my eyes a classified demise they think I'm
crazy but they aint
Seen nothing yet imagine if this country close down
from debt prescription

Pills missing I'm undiagnosed I'm bout to kick it with my
friend Casper the
Ghost.
I am crazy They Think I'm crazy(x2)
(Verse 3)
I'm from a world where people want me to be kind so
from time to time I
Lose my mind respect declines if I don't kick behinds
I'm angry all the
Time I refuse to whine my darkest thoughts will kill
anybody's optimism
Hold your criticism to a minimum what would life be
like without me "You
Gotta always stay positive that's the key" well if you ask
me, It's not the
Key I think that's b-u double L S-h-i-t. I'm in love with
controversy the
Critics are thirsty every Christian out there think the
devil has cursed me
To love my brothers who are Islamic it's not ironic if
friendships are
Platonic maybe I'm insane to play this game he's
untamed psycho everybody
Know his name
(Chorus)
