Po-ke-mon!
Po-ke-mon!

It's all about the challenges
It's a brand new game,
in a brand new world.

New rivals
As we fight for survival
Nothing can stop us,
Diamond and Pearl,
Pokemon!

It's all about the battle
You gotta play smart
You gotta move faster.
Behind every win there's a chance to begin
Again

You gotta take it all
IF YOU WANNA BE A MASTER!

Po-ke-mon!
Po-ke-mon!

It's time for adventure,
Diamond and Pearl!
We can change the world
Po-ke-mon!
