Free up your mind
Ooh alright
Let the music free up your mind
Free up your mind, free up your mind

Hey you over there
I know you got a problem but don't despair
See me? I have no soul
Tell about myself with a rock and roll
There must be something that you're longing to be
Give it to the rhythm, let the music

(Chorus) Free up your mind (let the music free up your
mind)
And it will help you to find (let the music help you to
find)
The beats will give you a sign (ooh, let the music free
up your mind)
Free up your mind

Hey you over there
Don't wanna hear the rest of it? I don't care
See me? Believe in you
Gotta help yourself, but you've gone undo
There must be something that you're longing to say
Give it to the rhythm, let the music
(Chorus)

Hey you, hey you
Hey you, hey you
Hey you, hey you
Hey hey, free up your mind

Hey you over there
I know you got a problem but don't despair
See me? I have no soul
Tell about myself with a rock and rock and roll (roll,
roll)
Rock and roll (echoes)
(Chorus)

Hey you, hey you (let the music free up your mind)

Hey you, hey you (let the music help you to find)
Hey you (ooh, let the music free up your mind
Free up your mind)
Hey you, hey you
Hey you, hey you
Hey you, hey you
Free up your mind
