He wanders off, he's just lost without me  
Doesn't matter what I say  
I try to give advice, I tell him twice  
He won't listen  
Gotta do it his own way  
He drives me crazy  
All of the time  
He drives me crazy  
He drives me out of my mind  
So why do I worry 'bout him  
Why do I care  
I don't know why I let it faze me  
But he drives me crazy  
He's here and there, everywhere  
Just looking  
Always finding something new  
I know he's kinda strange  
He'll never change  
Oh tell me, what's a girl supposed to do?  
He drives me crazy  
All of the time  
He drives me crazy  
He drives me out of my mind  
So why do I worry 'bout him  
Why do I care  
I don't know why I let it faze me  
But he drives me crazy  
Just go off, in your own direction  
And see if anybody cares  
Just don't come running back to me, Ash Ketchum  
He'll be wishing he had listened then!  
Cos I told him time and time again  
He drives me crazy  
All of the time  
He drives me crazy  
He drives me out of my mind  
So why do I worry 'bout him  
Why do I care  
I don't know why I let it faze me  
He drives me crazy  
All of the time  
He drives me crazy

He drives me out of my mind  
So why do I worry 'bout him  
Why do I care  
I don't know why I let it faze me  
But he drives me crazy
