Misty: Brock, what's wrong? Aren't you having a good time?

Brock: Oh, sure Misty

Misty: Then, come back inside and join the party

Brock: I will in a second

Misty: Brock, are you... crying?

Brock: No, it's just, cold out here, and I'm...

Misty: And you're what?

Brock: I'm thinkin' 'bout Christmas back home
In Pewter City the lights are pretty
And even though I love to roam
On Christmas Eve I make believe I'm home

I close my eyes and I see
My friends my family
The happy times that I shared
With all the people who cared
I'll be so far away
From them on Christmas Day
And though we may be apart...
I keep, my, home in my heart

Misty: I know how you feel Brock

Brock: You do?

Misty: Sure. I love it here but... I miss Cerulean City a little too

I'm thinkin' bout my sisters back home
The bells would ring to, songs we'd sing
And even though I love to roam
On Christmas Eve I make believe I'm home

I close my eyes and I see
My friends my family
The happy times that I shared
With all the people who cared
I'll be so far away
From them on Christmas Day
And though we may be apart...
I keep my home in my heart

Brock: When you're out on your own
You're always alone
Even when there's somebody there
Misty: But when you know from the start
There's a home in your heart
Chorus: You can go, anywhere

I close my eyes and I see
My friends my family
The happy times that I shared
With all the people who cared
I'll be so far away
From them on Christmas Day
And though we may be apart...
I keep my home in my heart

I close my eyes and I see
My friends my family
The happy times that I shared
With all the people who cared
I'll be so far away
From them on Christmas Day
And though we may be apart...
I keep my home in my heart

I close my eyes and I see
My friends my family
The happy times that I shared
With all the people who cared
I'll be so far away
From them on Christmas Day
And though we may be apart...
I keep my home in my heart
