Every Christmas ol' Santa brings presents for me  
He leaves plenty of packages under the tree  
But this year I have a surprise for Saint Nick  
And it's something that's going to give him a kick!

What is it Professor?  
I'm giving Santa a Pikachu this Christmas  
Wow! Just like the one you gave t'me?

That's right!  
I'll hide it in my stocking  
And he'll find it rather shocking  
\*laughs\*  
Cuz giving gifts to Santa is quite a novelty

I'm giving Santa a Pikachu this Christmas  
I bet he'll scratch his beard and say:  
Now Christmas eve will be a breeze  
As long as I have one of these  
On foggy flights  
Through winter nights  
To light my way

It's thundershock will twirl a million candy canes  
And power up a slew of new electric trains

I'm giving Santa a Pikachu this Christmas  
'Cause Santa's got a lot of work to do  
As the clock strikes every hour  
He'll be using Pika power  
T' bring Christmas toys  
T' girls and boys  
And grown ups too

With Pikachu his sleigh will fly so fast  
About a thousand times as fast as Christmas past

I'm giving Santa a Pikachu this Christmas  
It'll be the best friend Santa every had  
He'll have fun with Pikachu  
And Pikachu's gonna have fun too  
Playing up in Santa's workshop

Say...that's not bad

It's chilly at the North Pole

So I'm told

But with so much warmth in both their hearts  
They'll never feel the cold

I'm giving Santa a Pikachu this Christmas  
It's just the perfect thing to do  
And as his sleigh pulls out of sight  
We'll hear him calling through the night

With a Ho-Ho-Ho and a "Merry Christmas"  
"Pika-chuuuuu!"
