When I think of what I've been through  
I can see that you've always been there for me  
To tell the truth I don't know what I'd do  
without you, half of my dreams would not come true.  
You are the one (that I have hoped for.)  
All my life (meaning so much more)  
Now we can be (together forever)  
Just you and me  
Me here for you, you here for me.

Chorus:

It was you who showed me I got a friend in you  
I always knew that you'd be right here for me  
And it was you who stuck with me when the skies were  
blue  
And it was you who stayed by my side, it was you!

Since the day you came into my life  
I knew then that you'd be someone right by my side  
Then you proved you're a friend to me  
In my heart, forever you will always be

You are the one that I had hoped for  
Now my life means so much more  
Now we can be together forever  
Just you and me  
there for each other

Chorus (x2)

It was you who was always by my side  
And I just can't do it, you helped me through it  
We're friends forever like best friends should be  
You'll always be (dog chow; bow, wow) a special part of  
me!

It was you!

Chorus (x2)

It was you who showed me I got a friend  
I always knew that you'd be right there

It was you who stuck with me when skies where blue!  
It was you! I knew that I could count on you!

Chorus

You are a friend to me, It was you.
