Chorus:

Jenny! Oh, Jenny! Joy! Oh, Joy!  
A one woman's man is what I want to be  
But there's two perfect girls for me.

Hey! Oh! Hey! Oh!

Officer Jenny. Oh, can't ya see.  
You can lock me up and throw away the key.  
Joy! The diagnosis is bleak  
When I see your face my knees get weak.  
This can't go on! Enough is Enough! (Enough is  
Enough)  
I gotta pick one no matter how tough.

It's time for eeny meeny miny mo.  
But what a second (wait a second) what's her name.  
I just gotta know, I just gotta know!

Chorus:

Jenny! Oh, Jenny! Joy! Oh, Joy!  
A one woman's man is what I wanna be  
but there's two perfect girls for me!
