Been on the losin' side  
This time I'll turn the tide  
This time I won't give up  
Oh no, baby  
This time I'm in control  
I want the whole world to know  
Ain't nothing can slow me down  
This weird faith is on my side  
And I'm givin' all I've got  
Yeah baby  
Count every step straight to the top

(Chorus) And if the river's too wide, I'll get through it  
And if the mountain's too high, it won't stop this dream  
of mine  
I'm on my way, I've got a plan  
I'm makin' my way any way that I can

So many times I've play  
Someone else's game  
This time the game is changed  
Oh baby  
This time I make the rules  
I won't be nobody's fool  
Ain't no one to hold me down this time  
These words gonna be mine  
There's a brand new strength I've found  
Yeah  
Ain't looking back, ain't backing down  
(Chorus twice)

This time around  
I'll stand my ground, I'll live my dream  
I realize the power lays deep in me  
(Nothing's gonna stop me this time, I'm on my way)  
Yeah

Been on the losin' side  
This time I'll turn the tide  
This time I won't give up  
I want the whole world to know  
Ain't nothing to slow me down this time

The weird faith is on my side  
And I'm giving all I got  
Yeah baby  
Count every step straight to the top  
(Chorus fades out)
