PokÃ©mon!

No time to question my moves
I stick to the path that I choose
Me and my friends, we're gonna do it right
You'll never see us run away from a fight

To be a Master is my dream
All I've got to do is believe (I believe)

I've got a chance to win
I'm on my way to victory (PokÃ©mon!)
I can be a champion if I just believe...
I'm on a Master Quest (Master Quest!)
I want the whole world to see (I believe!)
I'm gonna be the very best
'Cuz all I've got to do is believe in me!

PokÃ©mon!
