Bumbling and bumbling
Screwing up and stumbling
Looks like Team Rocket's blasting off again
We're always stinking
It got me to thinking
And now Meowth has got the perfect plan

I'm gonna throw a party
Admission will be free
It'll be a snap
When they walk right into my trap

It's never been such fun
Stealing lots of Pokemon
Humans aren't invited
'Cause I said so

Once they hit the dance floor
That's when they're done for
This is one scheme
Even we can't blow

Meowth Meowth Meowth
This party's so exciting
It'll be the biggest bash of the year
Meowth Meowth Meowth
Won't you tell us who you're inviting?
Anyone who's anyone is going to be here
Meowth Meowth Meowth
Oooh...this party's not for fighting

Ice cream for everyone
There's nothing to fear
At Meowth's party
Blast off at the speed of light
All but night only
No Pokemon is lonely
At Meowth's party
Team Rocket's not going to fight
So move those feet
To the sound of the beat
At Meowth's party

Don't tell the boss
Not tonight

I wish this party could go on forever....
