Jessie:

Miss independent  
Miss self distructed  
Miss keep your distance  
Hmmmmm...

James:

Miss unafraid  
Miss out of my way  
Miss don't let her in interfear  
Noooooo

Meowth:

Miss on her own  
Miss almost grown  
Miss never let a man  
Help her on her thrown  
So I'm keeping her unprotected  
She never ever feel rejected  
Little miss apprehensive  
She said "Oh she fell in love"

Both:

What is this feeling taking over?  
Thinking no one can open the door  
Surprise it's time to feel what's real  
What happened to Miss Independent?  
No longer need to be defensive  
Goodbye old you when love is true

James:

Miss guarded heart  
Miss play it smart  
Miss if you want to use that line you better not start  
Noooooo

Jessie:

But she miscalculated  
She didn't want to be up jaded  
And this miss decided not to miss out on true love

Meowth:

So, by changing her misconceptions  
She went in a new direction  
And found she felt a connection  
She fell in love

Both:  
What is this feeling taking over?  
Thinking no one can open the door  
Surprise it's time to feel what's real  
What happened to Miss Independent?  
No longer need to be defensive  
Goodbye old you when love, when love is true

Jessie:  
When Miss Independent walked away

James:  
No time for love that came her way

Jessie:  
She looked in the mirror and thought today

James:  
What happened to Miss no longer afraid?

Jessie:  
It looked some for her to see

James:  
How beautiful love could truly be?

Jessie:  
No more talk of why can't that be me

James:  
I'm so glad I finally see

Both:  
What is this feeling taking over  
Think no one can open the door  
Surprise it's time to feel what's real  
What happened to Miss Independent?  
No longer need to be defensive  
Goodbye old you when love, when love is true..  
Miss Independent
