You know there is no other
I Choose You
Because you are my brother
In the game we play
And if we have to go all day
We can leave the other masters
Far behind
I've been trainin' all my life
Waiting all this time
For the moment to arrive
And now that it's here
I don't have the fear
Cause there's nothing left to hide
It's me and you
And there's nothing that
We can do
Cause the pokmon world
Even masters have to learn
They will always find
Something new
PIKACHU I Choose You
PIKACHU!
