Pikachu!  
You know that there's no one so...  
I choose you!  
There's no else that I'd rather...  
Have you by my side!  
'N you can help me win this fight!  
Because we need to face the challenge that's ahead!  
Pikachu!  
You know there is no other...  
I choose you!  
Because you are my brother...  
In this game we play!  
And if we have to go all day!  
So w'can leave the other masters far behind!

I've been training all my life!  
Waiting all this time...  
For this moment to arrive!  
'N now that it's here...  
I don't have the fear!  
Cuz there's nothing left to hide!

It's me and you!  
And there's nothing that we can't do!  
Cuz in the Pok mon world!  
Even masters hafta learn!  
They will always find something new!

Pikachu!  
You know that there's no one so...  
I choose you!  
There's no else that I'd rather...  
Have you by my side!  
'N you can help me win this fight!  
Because we need to face the challenge that's ahead!

Pikachu!  
You know there is no other...  
I choose you!  
Because you are my brother...  
In this game we play!

And if we have to go all day!  
So we can leave the other masters far behind!

I will never doubt the dream...  
As long you're with me!  
I know we can reach the top!  
We're the greatest team!  
This game has ever seen!  
And we're never ever stop!

Pikachu!  
You know you are the one!  
I choose you!  
There's no else that I'd rather...  
Have you by my side!  
'N you can help me win this fight!  
Because we need to face the challenge that's ahead!

Pikachu!  
It's you and me!  
I choose you!  
Pikachu!  
You and me forever!  
I choose you!  
Pikachu!  
You and me!  
I choose you
