Everybody run
Everybody hide
Oh, how I love this game
97, 98, 99, 100,
Everybody hide 'cause Pikachu's comin'!

Yeah we could play the game
And we don't play the same
You've got to find a place to hide

But not just any place
You've got to find a space
That fits your color and your size

Not over here (No!)
Not over there (No!)
I've gotta find a place and make me dissappear

Everybody run
Everybody hide
Oh, how I love this game
97, 98, 99, 100,
Everybody hide 'cause Pikachu's comin'!

I'm gonna climb the stairs
I'm gonna find somewhere
That no one's ever found before

You're gonna walk right past
Nobody can outlast
You know I've played this game before

Not over here (No!)
Not over there (No!)
I've gotta find a place and make me dissappear

Everybody run
Everybody hide
Oh, how I love this game
97, 98, 99, 100,
Everybody hide 'cause Pikachu's comin'! (Watch out!)

Everybody run
Everybody hide
Oh, how I love this game
97, 98, 99, 100,
Everybody hide...
'Cause Pikachu's comin'!
