Oh oh oh oh oh oh I'm unbeatable!  
Walking down this endless highway  
Nothin but my friends beside me  
We never give in and we never rest  
Advanced battle is the ultimate test  
From the earth and land and sea and sky  
They never win but they sure can try  
Oh oh oh oh oh oh I'm unbeatable  
Pokemon Advanced battle!  
Oh oh oh oh oh oh I'm undefeatable  
Through the stars and the ancient past  
They come to play but they never last

There's a feeling deep inside me  
And It's always there to guide me  
It's in my heart and in my soul  
Leading me to my ultimate goal  
You can find yourself this might be fun  
You're down to defeat before it begun  
Oh oh oh oh oh oh I'm unbeatable  
Pokemon Advanced battle!  
Oh oh oh oh oh oh I'm undefeatable  
Every move each attack you choose  
You think you win but you will always lose  
OH OH OH! Advanced battle  
I'm unbeatable  
POKEMON!
