Pokemon!

Every trainer has a choice,  
To listen to the voice inside.  
Although the battle may be long,  
Winners may have come and gone.  
I will carry on.

Yeah this dream will last forever,  
This dream will never die.  
We won't rest 'til we meet the challenge of the time.  
(Advanced Challenge)

Yeah this dream keeps us together,  
This shows that you and I,  
Will be the best that the world's ever seen.  
Because we always will follow this dream.
