Christmas, the time of year for  
Peace on Earth and to spread good, cheer  
A bash, a rockin' party  
Filled with fun where the laughter is hearty  
It's the Pokémon Christmas bash  
With Team Rocket, Brock, Misty and Ash  
So without further a-do  
Here's a Pokémon holiday greet for you

Who's that Pokémon?  
At the Pokémon Christmas bash  
Who's that Pokémon?  
Team Rocket, Brock, Misty and Ash  
Who's that Pokémon?  
At the Pokémon Christmas bash

I'm Brock, back on the block  
From a quick little stint with Ivy's flock  
Two things on my list ain't many  
A kiss from nurse Joy, and officer Jenny  
Santa please with your "ho ho ho"  
Put 'em both under the mistletoe  
Brock's kickin' it and it's a gas  
At the Pokémon Christmas bash!

I'm Misty, I got Starmie with me  
We're havin' fun decorating the tree  
With a twist on deck the halls  
We got a Christmas tree full of Pokéballs  
Hey Santa if you're really listenin'  
My wishlist has only one thing  
Just gimme one dance with Ash  
At the Pokémon Christmas bash!

I'm Ash, here with Pikachu  
Merry Christmas (Pika!) happy new year too  
The holidays wouldn't be the same without roasting  
chestnuts on  
Charizard's flame  
Santa can you help me go faster  
To become a Pokémon Master!  
Gotta catch 'em all, down to the last  
At the Pokémon Christmas bash!

Team Rocket's doing something shocking  
This year we're gonna fill your stocking  
Take a break, from causing trouble! Jessie!  
James! And make that double  
We thought we'd change our ways and  
Be nice on Christmas day  
Team Rocket's havin' a blast!  
At the Pokémon Christmas bash!
