Everybody wants to be a master  
Everybody wants to show their skills  
Everybody wants to get there faster  
Make their way to the top of the hill

Each time, you try  
Gonna get just a little bit better  
Each step, you climb  
Is one more step up the ladder

Chorus:  
It's a whole new world we live in  
It's a whole new way to see  
It's a whole new place  
With a brand new attitude  
But you still gotta catch'em all  
And be the best that you can be

Pokemon Johto

Everybody wants to make a statement  
Everybody needs to carve their mark  
To stand alone in the victory circle  
Stake their claim when the music starts  
Give it all, you got  
You can be the very best ever  
Take your best shot  
What you will learn will come together

Repeat Chorus
