Pikachu!
You know you are the one so
I choose you
There's no one else i'd rather
have here by my side
and you can help me win this fight
because we need to face the challenge that's ahead

Pikachu! You know there is no other I choose you because you are my brother

In this game we play, and if we have to go all day We can leave the other masters far behind, ohhhh!

I've been trainin' all my life...
...waiting all this time.
for this moment to arrive
and now that it's here
I don't have the fear
cuz there's nothin' left to hide

it's me and you and there's nothing that we can't do cuz in the pokémon world even masters hafta learn they will always find something new, ohhhh

Pikachu!
You know you are the one so
I choose you
There's no one else i'd rather
have here by my side
and you can help me win this fight
because we need to face the challenge that's ahead

Pikachu!

You know there is no other I choose you because you are my brother

In this game we play, and if we have to go all day We can leave the other masters far behind, ohhhh!

I will never doubt the dream as long as you're with me I know we can reach the top we're the greatest team this game has ever seen and we'll never ever stop!

Pikachu! It's you and me I choose you you and me forever, yeah

PIKACHU!!!
