Pikachu!

You know you are the one so

I choose you

There's no one else i'd rather

have here by my side

and you can help me win this fight

because we need to face the challenge that's ahead

Pikachu!

You know there is no other

I choose you

because you are my brother

In this game we play,

and if we have to go all day

We can leave the other masters

far behind, ohhhh!

I've been trainin' all my life...

...waiting all this time.

for this moment to arrive

and now that it's here

I don't have the fear

cuz there's nothin' left to hide

it's me and you

and there's nothing that

we can't do

cuz in the pokmon world

even masters hafta learn

they will always find something new,

ohhhh

Pikachu!

You know you are the one so

I choose you

There's no one else i'd rather

have here by my side

and you can help me win this fight

because we need to face the challenge that's ahead

Pikachu!
You know there is no other
I choose you
because you are my brother

In this game we play,
and if we have to go all day
We can leave the other masters
far behind, ohhhh!

I will never doubt the dream
as long as you're with me
I know we can reach the top
we're the greatest team
this game has ever seen
and we'll never ever stop!

Pikachu!
It's you and me
I choose you
you and me forever, yeah

PIKACHU!!!
