So you wanna be a master of Pokmon?
Understand the secrets say have some fun
So you wanna be a master of Pokmon?
Do you have the skills to be number one?
I wanna take the ultimate step
The courage to be bold
To risk it all and not forget
The lessons that I hold
I wanna go where no one's been
Far beyond the crowd
Know the way to take command
Use the power that's in my hand

We all live in a Pokmon World
I wanna be the greatest master of them all
We all live in a Pokmon World
I'll put myself to the test
To be better than all the rest

Everyday along the way
I will be prepared
With every challenge I will gain
Knowledge to be shared
In my heart, there's no doubt
Of who I want to be
I'm right here standing strong
As the greatest master of Pokmon

We all live in a Pokmon World
I wanna be the greatest master of them all
We all live in a Pokmon World
I'll put myself to the test
To be better than all the rest

So you wanna be the master of Pokmon?
Understand the secrets say have some fun
So you wanna be the master of Pokmon?
Do you have the skills to be number one?

Use the power that's in my hand

We all live in a Pokmon World
I wanna be the greatest master of them all
We all live in a Pokmon World
I'll put myself to the test
To be better than all the rest

We all live in a Pokmon World
I wanna be the greatest master of them all
We all live in a Pokmon World
I'll put myself to the test
To be better than all the rest

We all live in a Pokmon World
I wanna be the greatest master of them all
We all live in a Pokmon World
I'll put myself to the test
To be better
