Jiggaly...puff...jiggaly...puff!  
Jiggaly...puff...jiggaly...  
Anytime, anyplace, anywhere...  
With trouble brewing!  
Or laughter in the air!  
With a smile, with a sigh, with all the right stuff!  
There are so many times when the song is just enough!  
Magical powers...  
In the lush grass,  
In the shade of Mt. Moon,  
May the song... Soothe you!  
The power of the melody moves you!  
Jiggaly...puff...jiggaly...  
Jiggly!  
When it all seems lost... Out of control!  
The struggle breaks down... And Fear takes its toll!  
You can count a friend whose just tough enough...  
And the song that's alive in the heart of jigglypuff...  
Hours and hours...  
In the lush grass,  
At the bace of Mt. Moon,  
May the song... Soothe you!  
The power of the melody moves you!  
The sing attack grooves you!  
The power of the melody moves you!  
Jiggly!  
Jiggaly...puff...jiggaly...puff!  
Jiggaly...puff...jiggaly...  
Defense Curl! Think again!  
Power punch! You're never win!  
Double-Slap! That's nothin' new!  
Double-Edge! You're bound to lose!  
Body Slam, Disable ...  
The real power's in the song!  
Anytime, anyplace, anywhere...  
With trouble brewing!  
Or laughter in the air!  
You can count a friend whose just tough enough...  
And the song that's alive in the heart of jigglypuff...  
Magical powers...  
In the lush grass,  
In the shade of my moon,

May the song move you!  
The song... Soothes you!  
The power of the melody moves you!  
The sing attack groves you!  
The power of the melody moves you!  
Jig! Jigglypuff! ^\_^  
Jiggaly...puff...jiggaly...puff!  
The power of the melody!  
Jiggaly...puff...jiggaly...  
Moves you...
