"Taipou:Wairdo! (Type:Wild!)"

Masara TOWN ni sayonara-shite kara
(since I said goodbye to Masara town)

doredake no jikan tatta darou
(I guess much time has passed)

Surikizu kirikizu nakama no kazu
(scratches, cuts, friends)

Sore wa chotto jiman ka na
(was that a little boast?)

Ano koro suggoku hayatte-ita kara
(since they became popular back then)

kai ni hashitta kono SUNIIKA mo
(I ran to get a shell in these sneakers)

Ima de wa sekai juu sagashite mo mitsukaranai
(and now, though I've searched the whole world, they
are not to be found)

Saikou no boroboro gutsu sa!
(worn out, best sneakers!)

Itsu no ma ni ka..........TYPE: WILD!
Sukoshi-zutsu dakedo............TYPE: WILD!
Motto motto.............TYPE: WILD!
Tsuyoku naru yo........TYPE: WILD!
(taking me by surprise.........TYPE: WILD!)
(little by little though............TYPE: WILD!)
(more and more..............TYPE: WILD!)
(I become strong!..........TYPE: WILD!)
SUUTSUKEESU mo kinenshashin mo GAIDO mo iranai
tabi dakedo
(we don't need suitcases, souveniers, or guides for our
journey, but)

Deatta minna no atatakasa
(the warmth of the people we met--)

Sore wa chanto motte kaeru yo

(that's exactly how we'll return!)

Nandaka dou-temo tsurai kanji no omoide datte atta
hazu dakedo
(there are memories of painful feelings, I suppose, but)

Kizukanai uchi ni RYUKKU no hokorobi kara
(the tear made when we looked into the unnoticeable
inside of our hearts)

Kobore ochite shimatta you sa!
(seems to completely over-flood!)

Itsu no ma ni ka..........TYPE: WILD!
Sukoshi-zutsu dakedo............TYPE: WILD!
Motto motto.............TYPE: WILD!
Tsuyoku naru yo........TYPE: WILD!
(taking me by surprise.........TYPE: WILD!)
(little by little though............TYPE: WILD!)
(more and more..............TYPE: WILD!)
(I become strong!..........TYPE: WILD!)
Soshite itsuka kou iu yo
(and someday it will be like that!)

"Hello in my dream."
