Talk to my baby
Please hold my hand
I'm gonna tell you something
And you must understand

Hey kids
Take a walk on the wild side
Everybody say

[x2]Shoop a doop
Shoop a doop doop
A shoop a doop
Shoop a doo doo

Atomic Kitten have good shit
Do you have some too
Thinking about you
And all the things you do

Hey kids
Talk a walk on the wild side
All of you say

[x4]Shoop a doop
Shoop a doop doop
A shoop a doop
Shoop a doo doo
