Together wherever we go!
In battle we learn and we grow!
With courage... When we're put to the test!
Desire... To be the very best!
And good friends to share in the magic journey!
With power... When we need to be strong!
(Need to be strong!)
And comfort... When the struggle is long!
(When the struggle is long!)
We hold on... To all that we know is true!
It's always!
(It's always!)
What we make it!
And we see our chance...
Then we take it!
We know the road is long...
So don't delay!
To be a Pokmon Master...
We train...
Wherever we go!
Wherever and everywhere we go!
We offer the best of what we know!
We're hand in hand! We walk as one!
No battles lost! Two battles won!
Together with the Pokmon we claim!
(Pokmon we claim!)
The spirit of the game!
(The spirit of the game!)
The challenge is everywhere...
For you and me if we only dare...
To hold on to all that we know is true!
You're for me!
(You're for me and I'm for you!)
And I'm for you!
Always know that through and through!
We know what we all must to do!
To be a Pokmon Master...
We train...
(We train...)
Wherever we go!
(Wherever we go!)
Wherever and everywhere we go!

We offer the best of what we know!
We're hand in hand! We walk as one!
No battles lost! Two battles won!
Together with the Pokmon we claim...
(Pokmon we claim!)
The spirit of the game!
(The spirit of the game!)
*repeats in background: We try! We try! We try... *
We try!
We aim high!
And we reach for the sky!
(The sky.....)
Together wherever we go...
In battle we learn and we grow!
Wherever and everywhere we go!
We offer the the best of what we know!
We're hand in hand! We walk as one!
No battles lost! Two battles won!
Together with the Pokmon we claim!
(Pokmon we claim!)
In the spirit of the game!
Wherever and everywhere we go!
We offer the best of what we know!
We're hand in hand! We walk as one!
No battles lost! Two battles won!
Wherever and everywhere we go!
We offer the best of what we know!
We're hand in hand! We walk as one!
No battles lost! Two battles won!
Together with the Pokmon we claim!
(Pokmon we claim!)
The spirit of the game!
(Spirit of the game!)
The Pokmon we claim!
(Pokmon we claim!)
The spirit of the game...
Wherever and everywhere we go!
We offer the best of what we know!
We're hand in hand! We walk as one!
No battles lost! two battles won!
Wherever and everywhere we go!
We offer the best of what we know!
We're hand in hand! We walk as one!
No battles lost! two battles won!
Wherever and everywhere we go!
We offer the best of what we know!
We're hand in hand! We walk as one!
No battles lost! two battles won!
*chorus repeats and fades
