So you wanna be a master of Pokemon?  
Do you got the skills to be numbah one?

I wanna take the ultimate step  
Find the courage to be born  
Risk it all and not the forget the lessons that I hold

I wanna go where no ones been.  
Far beyond the crowd, yeah  
Learn a way to take command, use the power that's in  
my hand

We all live in a Pokemon world  
Pokemon!  
I wanna be the greatest master of them all, the  
greatest master  
We all live in a Pokemon world  
Pokemon!  
I put myself to the test, be better than all the rest

So you wanna be a master of Pokemon  
Do you got the skills to be numbah one

We all live in a Pokemon world  
Pokemon!  
I wanna be the greatest master of them all, the  
greatest master  
Pokemon!
